

Product datasheet for AP06038PU-S

beta Catenin (CTNNB1) Rabbit Polyclonal Antibody

Product data:

Product Type: Primary Antibodies ELISA, IHC, WB **Applications:** Recommended Dilution: Western blot: 1/500-1/1000. Human, Mouse, Rat **Reactivity:** Host: Rabbit **Clonality:** Polyclonal Immunogen: Synthetic peptide, corresponding to amino acids N-terminus of Human Catenin-β. Specificity: This antibody detects endogenous levels of Catenin- β protein (region surrounding lle35). Formulation: Phosphate buffered saline (PBS), pH 7.2. State: Aff - Purified State: Liquid purified lg fraction Preservative: 0.05% sodium azide Concentration: 1.0 mg/ml **Purification:** Affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE) **Conjugation:** Unconjugated Storage: Store undiluted at 2-8°C for one month or (in aliquots) at -20°C for longer. Avoid repeated freezing and thawing. Stability: Shelf life: one year from despatch. **Predicted Protein Size:** ~ 92 kDa Gene Name: catenin beta 1 Database Link: Entrez Gene 1499 Human P35222

Sorigene beta Catenin (CTNNB1) Rabbit Polyclonal Antibody – AP06038PU-S

Background:The catenins, α, β and γ, are proteins which bind to the highly conserved, intracellular
cytoplasmic tail of E-cadherin. Together, the catenin/cadherin complexes play an important
role mediating cellular adhesion. α-catenin was initially described as an E-cadherin associated
protein, and since has been shown to associate with other members of the cadherin family,
such as N-cadherin and P-cadherin. β-catenin associates with the cytoplasmic portion of E-
cadherin, which is necessary for the function of E-cadherin as an adhesion molecule. β-
catenin has also been found in complexes with the tumor suppressor protein APC. γ-catenin,
also known as plakoglobin, is a protein that binds with α-catenin and N-cadherin. It has been
shown thatthe transmembrane phosphatase PTPµ associates with catenin/cadherin
complexes and may regulate complex signaling.

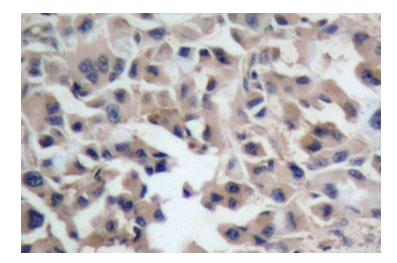

Synonyms:

CTNNB1, CTNNB, Beta-catenin
