

# Product datasheet for AP21237BT-N

## Choline oxidase / codA Rabbit Polyclonal Antibody

### **Product data:**

#### **Product Type: Primary Antibodies Applications:** ELISA, ID, IF, IP, R, WB **Recommended Dilution:** This product is intended for use in precipitating and non-precipitating antibody-binding assays (such as e.g., ELISA and Western blotting and Immunofluorescence or Histochemical techniques). Working dilutions in non-precipitating antibody-binding techniques: 1/200-1/5,000. Host: Rabbit lgG Isotype: **Clonality:** Polyclonal Immunogen: Choline Oxidase isolated and purified from Athrobacter globiformis. Freund's complete adjuvant is used in the first step of the immunization procedure. Specificity: The antibody recognizes Choline kinase from Athrobacter globiformis. The reagents were evaluated for potency, purity and specificity using most or all of the following techniques: Immunoelectrophoresis, Cross-Immunoelectrophoresis, single Radial Immunodiffusion (Ouchterlony), block titration, ELISA, Immunoblotting and Enzyme Inhibition. Cross-reactivities against enzymes of other sources may occur but have not been determined. Formulation: PBS, pH 7.2 without preservatives and foreign proteins Label: Biotin State: Lyophilized Hyperimmune IgG fraction Label: /IgG Molar radio: Biotin/lgG ~5.6 **Concentration:** lot specific **Purification:** Ammonium Sulphate Precipitation and Ion Exchange Chromatography **Conjugation:** Biotin Store the antibody lyophilized at 2-8°C and reconstituted at 2-8°C for one week or (in aliguots) Storage: at -20°C for longer. If a slight precipitation occurs upon storage, this should be removed by centrifugation.

|                | Choline oxidase / codA Rabbit Polyclonal Antibody – AP21237BT-N  |
|----------------|--|
| Stability:     | Shelf life: one year from despatch.  |
| Database Link: | <u>Q7X2H8</u>  |
| Background:    | Choline Oxidase catalyzes the oxidation of choline and betaine aldehyde to betaine with concomitant consumption of oxygen and production of hydrogen peroxide. |
