

Product datasheet for AP52577PU-N

MS4A4A (N-term) Rabbit Polyclonal Antibody

lg

Product data:

Product Type: Primary Antibodies

FC, WB **Applications:**

Recommended Dilution: ELISA: 1/1000.

Western Blot: 1/100-1/500. **Flow Cytometry:** 1/10-1/50.

Reactivity: Human Host: Rabbit Isotype:

Clonality: Polyclonal

Immunogen: KLH conjugated synthetic peptide between 40-68 amino acids from the N-terminal region of

Human MS4A4A

Specificity: This antibody recognizes Human MS4A4A (N-term).

Formulation: PBS containing 0.09% (W/V) Sodium Azide as preservative

State: Aff - Purified

State: Liquid purified Ig fraction

Concentration: lot specific

Purification: Protein A column, followed by peptide affinity purification

Conjugation: Unconjugated

Store undiluted at 2-8°C for one month or (in aliquots) at -20°C for longer. Storage:

Avoid repeated freezing and thawing.

Stability: Shelf life: one year from despatch.

Gene Name: membrane spanning 4-domains A4A

Database Link: Entrez Gene 51338 Human

MS4A4A (N-term) Rabbit Polyclonal Antibody - AP52577PU-N

Background: This gene encodes a member of the membrane-spanning 4A gene family. Members of this

nascent protein family are characterized by common structural features and similar intron/exon splice boundaries and display unique expression patterns among hematopoietic

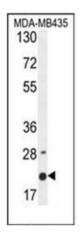

cells and nonlymphoid tissues. Alternative splicing of this gene results in several transcript variants; however, not all transcripts have been fully described.

Synonyms: 4SPAN1, CD20L1, MS4A4, HDCME31P, Four-span transmembrane protein 1

Note: Molecular Weight: 25441 Da

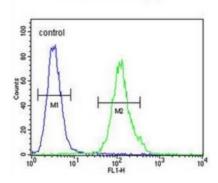

Protein Families: Druggable Genome, Transmembrane

Product images:

Western blot analysis of MS4A4A Antibody (Nterm) in MDA-MB435 cell line lysates (35ug/lane). This demonstrates the M4A4A antibody detected the M4A4A protein (arrow).

MDA-MB435

Flow cytometric analysis of MDA-MB435 cells using MS4A4A Antibody (N-term) (right histogram) compared to a negative control cell (left histogram). FITC-conjugated goat-anti-rabbit secondary antibodies were used for the analysis
