| Product Type: | CRISPRa Kits                                                                                                                                                                                                                                                                                                  |
| Description:  | LRP2BP CRISPRa kit - CRISPR gene activation of human LRP2 binding protein                                                                                                                                                                                                                                     |
| Symbol:       | LRP2BP                                                                                                                                                                                                                                                                                                        |
| Components:   | GA110984G1, LRP2BP gRNA vector 1 in pCas-Guide-GFP-CRISPRa (GE100074)<br>GA110984G2, LRP2BP gRNA vector 2 in pCas-Guide-GFP-CRISPRa (GE100074)<br>GA110984G3, LRP2BP gRNA vector 3 in pCas-Guide-GFP-CRISPRa (GE100074)<br>1 CRISPRa-Enhancer vector, SKU GE100056<br>1 CRISPRa scramble vector, SKU GE100077 |
| UniProt ID:   | <u><a href="#">Q9P2M1</a></u>                                                                                                                                                                                                                                                                                 |
| Synonyms:     | DKFZp761O0113; FLJ44965                                                                                                                                                                                                                                                                                       |
| Format:       | 3 gRNAs (5ug each), 1 scramble ctrl (10ug) and 1 enhancer vector (10ug)                                                                                                                                                                                                                                       |
