| <b>Product Type:</b> | CRISPRa Kits                                                                                                                                                                                                                                                                                               |
| <b>Description:</b>  | CDCA7 CRISPRa kit – CRISPR gene activation of human cell division cycle associated 7                                                                                                                                                                                                                       |
| <b>Symbol:</b>       | CDCA7                                                                                                                                                                                                                                                                                                      |
| <b>Components:</b>   | GA113291G1, CDCA7 gRNA vector 1 in pCas-Guide-GFP-CRISPRa (GE100074)<br>GA113291G2, CDCA7 gRNA vector 2 in pCas-Guide-GFP-CRISPRa (GE100074)<br>GA113291G3, CDCA7 gRNA vector 3 in pCas-Guide-GFP-CRISPRa (GE100074)<br>1 CRISPRa-Enhancer vector, SKU GE100056<br>1 CRISPRa scramble vector, SKU GE100077 |
| <b>UniProt ID:</b>   | <u><a href="#">Q9BWT1</a></u>                                                                                                                                                                                                                                                                              |
| <b>Synonyms:</b>     | JPO1                                                                                                                                                                                                                                                                                                       |
| <b>Format:</b>       | 3 gRNAs (5ug each), 1 scramble ctrl (10ug) and 1 enhancer vector (10ug)                                                                                                                                                                                                                                    |
