| Product Type: | CRISPRa Kits                                                                                                                                                                                                                                                                                                        |
| Description:  | METTL25 CRISPRa kit - CRISPR gene activation of human methyltransferase like 25                                                                                                                                                                                                                                     |
| Symbol:       | METTL25                                                                                                                                                                                                                                                                                                             |
| Components:   | GA113416G1, C12orf26 gRNA vector 1 in pCas-Guide-GFP-CRISPRa (GE100074)<br>GA113416G2, C12orf26 gRNA vector 2 in pCas-Guide-GFP-CRISPRa (GE100074)<br>GA113416G3, C12orf26 gRNA vector 3 in pCas-Guide-GFP-CRISPRa (GE100074)<br>1 CRISPRa-Enhancer vector, SKU GE100056<br>1 CRISPRa scramble vector, SKU GE100077 |
| UniProt ID:   | <a href="#">Q8N6Q8</a>                                                                                                                                                                                                                                                                                              |
| Synonyms:     | C12orf26                                                                                                                                                                                                                                                                                                            |
| Format:       | 3 gRNAs (5ug each), 1 scramble ctrl (10ug) and 1 enhancer vector (10ug)                                                                                                                                                                                                                                             |
