| Product Type: | CRISPRa Kits                                                                                                                                                                                                                                                                                                     |
| Description:  | IBA57 CRISPRa kit - CRISPR gene activation of human iron-sulfur cluster assembly factor IBA57                                                                                                                                                                                                                    |
| Symbol:       | IBA57                                                                                                                                                                                                                                                                                                            |
| Components:   | GA116341G1, C1orf69 gRNA vector 1 in pCas-Guide-GFP-CRISPRa (GE100074)<br>GA116341G2, C1orf69 gRNA vector 2 in pCas-Guide-GFP-CRISPRa (GE100074)<br>GA116341G3, C1orf69 gRNA vector 3 in pCas-Guide-GFP-CRISPRa (GE100074)<br>1 CRISPRa-Enhancer vector, SKU GE100056<br>1 CRISPRa scramble vector, SKU GE100077 |
| UniProt ID:   | <u><a href="#">Q5T440</a></u>                                                                                                                                                                                                                                                                                    |
| Synonyms:     | C1orf69; MMDS3; SPG74                                                                                                                                                                                                                                                                                            |
| Format:       | 3 gRNAs (5ug each), 1 scramble ctrl (10ug) and 1 enhancer vector (10ug)                                                                                                                                                                                                                                          |
