

Product datasheet for **GE100060**

pCas-Guide-CRISPRi-Scramble

Product data:

Product Type:	CRISPR Vectors
Function:	CRISPRi scramble control vector
Features:	<ul style="list-style-type: none"> • Scramble control vector for CRISPRi (SKU GE100059) • All-in-one vector, expresses scrambled gRNA and dCas9-KRAB-MeCP2
Disclaimer:	These products are manufactured and supplied by OriGene under license from ERS.
