

Product datasheet for **GE100082**

pCas-Guide-Puro-CRISPRa-Scramble

Product data:

- Product Type:** CRISPR Vectors
- Features:**
- Scramble control vector for CRISPRa CRISPR/Cas9 gene activation
 - All-in-one vector, expresses scrambled gRNA, dCas9-VP64 and puromycin resistance gene
- Disclaimer:** These products are manufactured and supplied by OriGene under license from ERS.
