

Product datasheet for **GE100086**

pCas-Guide-GFP-CRISPRi-Scramble

Product data:

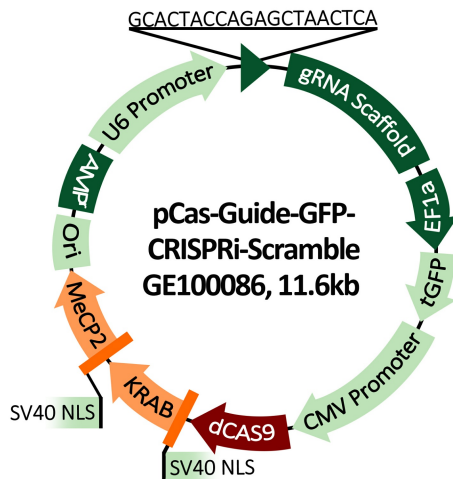

Product Type: CRISPR Vectors

Features:

- Scramble control vector for CRISPRi (SKU GE100085)
- All-in-one vector, expresses scrambled gRNA and dCas9-KRAB-MeCP2, and GFP reporter

Disclaimer: These products are manufactured and supplied by OriGene under license from ERS.
