## **GALM Rabbit Polyclonal Antibody**

**Product data:** 

**Product Type:** Primary Antibodies

**Applications:** ELISA, IP, WB

**Recommended Dilution:** Western blot: 1/500-1/5,000.

Immunoprecipitation: 1/100.

**ELISA**: 1/5,000-1/20,000.

This product has been assayed against 1.0 µg of Mutarotase [porcine kidney] in a standard sandwich ELISA using peroxidase conjugated strepavidin and ABTS as a substrate for 30 minutes at room temperature. A working dilution of 1/2,000 to 1/10,000 of the reconstitution

concentration is suggested.

Reactivity: Porcine

Host: Rabbit

Clonality: Polyclonal

**Immunogen:** Mutarotase from porcine kidney

**Specificity:** This product detects porcine Mutarotase / Aldose 1-epimerase. Cross reactivity against

Mutarotase from other tissues and species may occur but have not been specifically

determined.

Assay by immunoelectrophoresis resulted in a single precipitin arc against anti-biotin, anti-

rabbit serum as well as purified and partially purified porcine Mutarotase.

**Formulation:** 0.02M Potassium phosphate, 0.15M Sodium chloride, pH 7.2

Label: Biotin State: Purified

State: Lyophilized purified Ig fraction

Stabilizer: 10 mg/ml BSA (immunoglobulin and protease free)

Preservative: 0.01% (w/v) Sodium azide

**Reconstitution Method:** Restore with 0.1 ml of deionized water (or equivalent).

**Concentration:** lot specific

**Purification:** Delipidation, salt fractionation and ion exchange chromatography followed by extensive

dialysis against the buffer

**Conjugation:** Biotin

## **GALM Rabbit Polyclonal Antibody - R1100BS**

Storage: Store lyophilized at 2-8°C for 6 months or at -20°C long term.

After reconstitution store the antibody undiluted at 2-8°C for one month or (in aliquots) at -

20°C long term. Avoid repeated freezing and thawing.

**Stability:** Shelf life: one year from despatch.

Database Link: Entrez Gene 399536 Pig

Q9GKX6

**Background:** Mutarotase converts alpha-aldose to the beta-anomer. It is active on D-glucose, L-arabinose,

D-xylose, D-galactose, maltose and lactose

**Synonyms:** GALM, BLOCK25, Galactose mutarotase
