| Clonality:              | Polyclonal                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Immunogen:              | The immunogen for anti-LTBP1 antibody: synthetic peptide directed towards the C terminal of human LTBP1. Synthetic peptide located within the following region: NVCANGDCSNLEGSYMCSCHKGYTRTPDHKHCRDIDECQQGNLCVNGQCK                                                                                                                                                                                                                                                 |
| Formulation:            | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                                                                                                                                                                                                                                                                                  |
| Conjugation:            | Unconjugated                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Storage:                | Store at -20°C as received.                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Stability:              | Stable for 12 months from date of receipt.                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Predicted Protein Size: | 154 kDa                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

| Background:             | The protein encoded by this gene belongs to the family of latent TGF-beta binding proteins (LTBPs). The secretion and activation of TGF-betas is regulated by their association with latency-associated proteins and with latent TGF-beta binding proteins. The product of this gene targets latent complexes of transforming growth factor beta to the extracellular matrix, where the latent cytokine is subsequently activated by several different mechanisms. |
| Synonyms:               | MGC163161                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
