# Product datasheet for TA378371

### **MBD6 Rabbit Polyclonal Antibody**

## **Product data:**

| Product Type:           | Primary Antibodies                                                                                                                                       |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Applications:           | ELISA, WB                                                                                                                                                |
| Recommended Dilution:   | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 $\mu$ g/mL. Please optimize the concentration based on your specific assay requirements. |
| Reactivity:             | Human, Mouse, Rat                                                                                                                                        |
| Modifications:          | Unmodified                                                                                                                                               |
| Host:                   | Rabbit                                                                                                                                                   |
| lsotype:                | lgG                                                                                                                                                      |
| Clonality:              | Polyclonal                                                                                                                                               |
| Formulation:            | Buffer: PBS with 0.05% proclin300,50% glycerol,pH7.3.                                                                                                    |
| Concentration:          | lot specific                                                                                                                                             |
| Purification:           | Affinity purification                                                                                                                                    |
| Conjugation:            | Unconjugated                                                                                                                                             |
| Storage:                | Store at -20°C. Avoid freeze / thaw cycles.                                                                                                              |
| Stability:              | Shelf life: one year from despatch.                                                                                                                      |
| Predicted Protein Size: | 101kDa                                                                                                                                                   |
| Gene Name:              | methyl-CpG binding domain protein 6                                                                                                                      |
| Database Link:          | <u>Entrez Gene 114785 Human</u><br><u>Q96DN6</u>                                                                                                         |
| Background:             | Enables chromatin binding activity. Located in chromocenter; fibrillar center; and nucleoplasm. Implicated in autism spectrum disorder.                  |
| Synonyms:               | KIAA1887                                                                                                                                                 |

#### **Product images:**

Western blot analysis of various lysates using MBD6 Rabbit pAb (TA378371) at 1:1000 dilution. Secondary antibody: HRP-conjugated Goat anti-Rabbit IgG (H+L) (AS014) at 1:10000 dilution. Lysates/proteins: 25µg per lane. Blocking buffer: 3% nonfat dry milk in TBST. Detection: ECL Basic Kit (RM00020). Exposure time: 10s.
