## Product datasheet for TP720684

## Prealbumin (TTR) (NM\_000371) Human Recombinant Protein

## **Product data:**

Recombinant Proteins
Purified recombinant protein of Human transthyretin (TTR)
Human
HEK293
Gly21-Glu147
C-His
14.8 kDa
lot specific
>95% as determined by SDS-PAGE and Coomassie blue staining
Provided lyophilized from a 0.2 $\mu m$ filtered solution of 20 mM Tris-HCl, 150 mM NaCl
Endotoxin level is < 0.1 ng/μg of protein (< 1 EU/μg)
Always centrifuge tubes before opening. Do not mix by vortex or pipetting. Dissolve the lyophilized protein in ddH2O. It is not recommended to reconstitute a concentration less than 100 µg/ml. Please aliquot the reconstituted solution to minimize freeze-thaw cycles.
Store at -80°C.
Stable for at least 6 months from date of receipt under proper storage and handling conditions.
<u>NP 000362</u>
7276
<u>P02766, E9KL36</u>
938
18q12.1
441

	Prealbumin (TTR) (NM_000371) Human Recombinant Protein – TP720684
Summary:	This gene encodes one of the three prealbumins, which include alpha-1-antitrypsin, transthyretin and orosomucoid. The encoded protein, transthyretin, is a homo-tetrameric carrier protein, which transports thyroid hormones in the plasma and cerebrospinal fluid. It is also involved in the transport of retinol (vitamin A) in the plasma by associating with retinol-binding protein. The protein may also be involved in other intracellular processes including proteolysis, nerve regeneration, autophagy and glucose homeostasis. Mutations in this gene are associated with amyloid deposition, predominantly affecting peripheral nerves or the heart, while a small percentage of the gene mutations are non-amyloidogenic. The mutations are implicated in the etiology of several diseases, including amyloidotic polyneuropathy, euthyroid hyperthyroxinaemia, amyloidotic vitreous opacities, cardiomyopathy, oculoleptomeningeal amyloidosis, meningocerebrovascular amyloidosis and carpal tunnel syndrome. [provided by RefSeq, Aug 2017]
Protein Families	ES Cell Differentiation/IPS, Secreted Protein
