# alpha Synuclein (SNCA) (NM 000345) Human Recombinant Protein

#### **Product data:**

**Product Type: Recombinant Proteins** 

Description: Purified recombinant protein of Human synuclein, alpha (non A4 component of amyloid

precursor) (SNCA), transcript variant 1

Species: Human **Expression Host:** E. coli

**Expression cDNA Clone** 

or AA Sequence:

Met1-Ala140

N-His Tag:

Predicted MW: 16.7 kDa Concentration: lot specific

**Purity:** >95% as determined by SDS-PAGE and Coomassie blue staining

**Buffer:** Provided lyophilized from a 0.2 µm filtered solution of 20 mM Tris-HCl, 150 mM NaCl

**Endotoxin:** Endotoxin level is < 0.1 ng/µg of protein (< 1 EU/µg)

**Reconstitution Method:** Always centrifuge tubes before opening. Do not mix by vortex or pipetting. Dissolve the

> lyophilized protein in ddH2O. It is not recommended to reconstitute a concentration less than 100 µg/ml. Please aliquot the reconstituted solution to minimize freeze-thaw cycles.

Storage: Store at -80°C.

Stable for at least 6 months from date of receipt under proper storage and handling Stability:

conditions.

NP 000336 RefSeq:

Locus ID: 6622 UniProt ID: P37840 1543 RefSeq Size: Cytogenetics: 4q22.1 420

RefSeq ORF:

Synonyms: NACP; PARK1; PARK4; PD1

### alpha Synuclein (SNCA) (NM\_000345) Human Recombinant Protein - TP721177L

**Summary:** Alpha-synuclein is a member of the synuclein family, which also includes beta- and gamma-

> synuclein. Synucleins are abundantly expressed in the brain and alpha- and beta-synuclein inhibit phospholipase D2 selectively. SNCA may serve to integrate presynaptic signaling and membrane trafficking. Defects in SNCA have been implicated in the pathogenesis of

Parkinson disease. SNCA peptides are a major component of amyloid plaques in the brains of

patients with Alzheimer's disease. Alternatively spliced transcripts encoding different

isoforms have been identified for this gene. [provided by RefSeq, Feb 2016]

**Protein Families:** Druggable Genome

**Protein Pathways:** Alzheimer's disease, Parkinson's disease
