

Product datasheet for **TP726295**

RPL36A Human Recombinant Protein

Product data:

Product Type:	Recombinant Proteins
Description:	Recombinant Human Large ribosomal subunit protein eL42/RPL36A
Species:	Human
Expression cDNA Clone or AA Sequence:	V2-F106
Tag:	C-His
Buffer:	Supplied as a 0.2 um filtered solution of PBS, 300mM NaCl, 10%Glycerol, pH7.4
Note:	Recombinant Human Large ribosomal subunit protein eL42/RPL36A is produced by E. coli. The target gene encoding V2-F106 is expressed with a His tag at the C-terminus.
Stability:	12 months from date of despatch
Locus ID:	6173
UniProt ID:	<u>P83881</u>
