

Product datasheet for **TP726325**

Alanine Transaminase (GPT) Human Recombinant Protein

Product data:

Product Type:	Recombinant Proteins
Description:	Recombinant Human Alanine aminotransferase 1/GPT
Species:	Human
Expression cDNA Clone or AA Sequence:	A231-I480
Tag:	C-His
Buffer:	Supplied as a 0.2 um filtered solution of PBS, 300mM NaCl, 10%Glycerol, pH7.4
Note:	Recombinant Human Alanine aminotransferase 1/GPT is produced by E. coli. The target gene encoding A231-I480 is expressed with a His tag at the C-terminus.
Stability:	12 months from date of despatch
Locus ID:	2875
UniProt ID:	P24298
