

Product datasheet for **TP726468**

MTX2 Human Recombinant Protein

Product data:

Product Type:	Recombinant Proteins
Description:	Recombinant Human Metaxin-2/MTX2
Species:	Human
Expression cDNA Clone or AA Sequence:	E164-L262
Tag:	C-FLAG
Buffer:	Supplied as a 0.2 um filtered solution of PBS, 300mM NaCl, 10%Glycerol, pH7.4
Note:	Recombinant Human Metaxin-2/MTX2is produced by E. coli. The target gene encodingE164-L262 is expressed with a FLAG tag at the C-terminus.
Stability:	12 months from date of despatch
Locus ID:	10651
UniProt ID:	<u>O75431</u>
